KALEA LIFTS

MADE IN SWEDEN

Kalea was created in 1898 in Gothenburg, Sweden, and is one of the oldest lift brands still in existence. In 2008, Kalea Lifts became a member of Cibes Lift Group and today our brand is more global than ever but our design aesthetic and roots remain in Sweden. Colour Me Happy invites you on a journey to discover the true colours of Sweden and get inspiration for your everyday life.

A vertical photograph of a modern apartment building at night. The building's facade is dark grey. Each floor has a balcony with a black metal railing. The balconies are illuminated from within, showing a variety of vibrant colors including red, orange, yellow, green, and blue. The lighting creates a warm, inviting atmosphere. The text 'PREMIUM COLOURS' is overlaid in white, sans-serif font in the lower-middle section of the image.
