

Where Innovation Lifts You

Experience the elegance of the Symmetry Dream elevator car —designed to enrich every floor of your home, with refined wood-grain finishes that speak of timeless sophistication.

The signature feature is the exquisite light panel opposite the entrance, available in 13 stunning patterns. Subtly integrated edge lighting bathes the panel in a soft, welcoming glow.

Asterix+ with Wood Ceiling & Dream Panel

We've replaced the traditional black-finished back wall with an option of 13 stunning patterns to choose from.

Asterix with Black Ceiling & Wall

Asterix represents the evolution of modern design, blending dynamic lighting with refined surfaces.

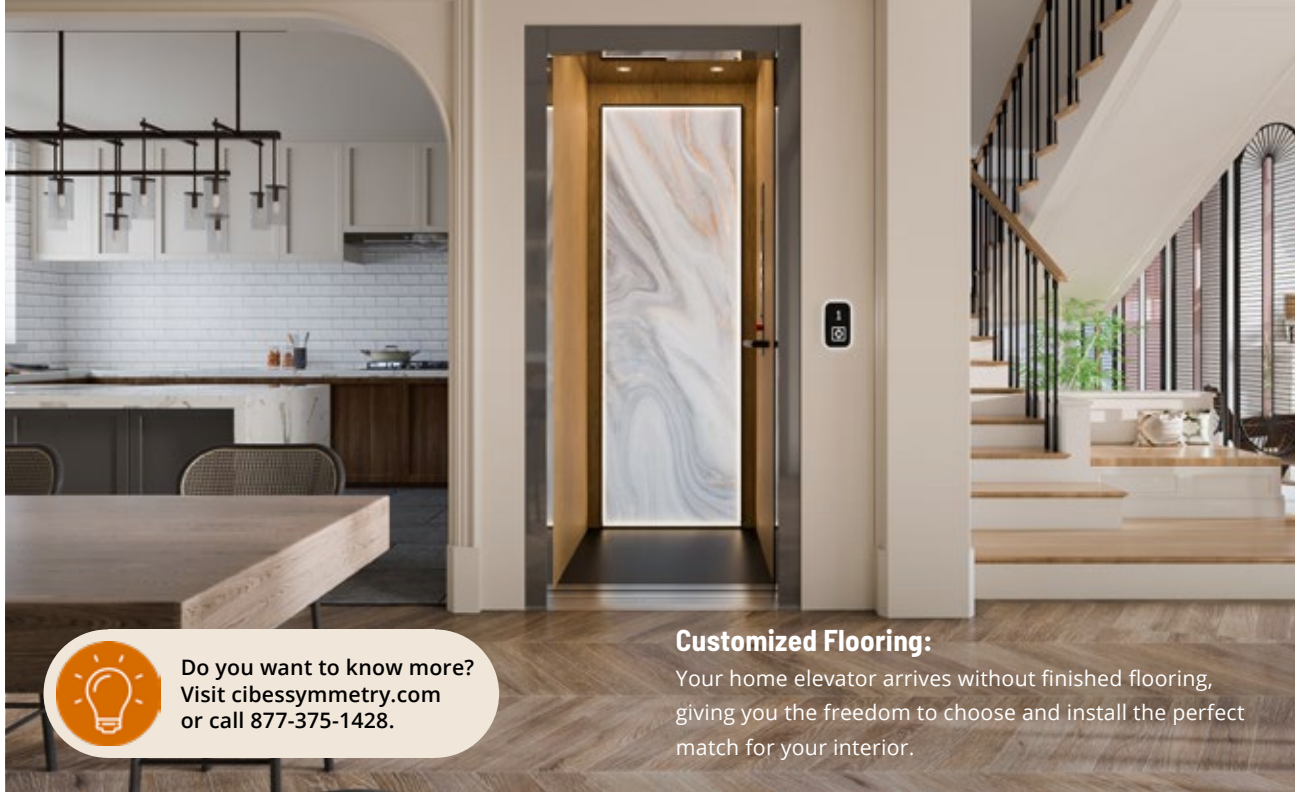

Dream+ with Mirror Ceiling & Asterix Light

The Symmetry Dream+ elevates the classic Dream design with enhanced illumination.

Smart Lighting Features

All lighting is seamlessly connected and integrated with the COP (Car Operating Panel) light control, allowing you to effortlessly dim the illumination to perfectly match your mood.

Customized Flooring:

Your home elevator arrives without finished flooring, giving you the freedom to choose and install the perfect match for your interior.
